40,000,000 Americans own more than

\$41,000,000,000 of cash savings—in U. S. Savings Bonds! They're one of the world's

safest, surest investments. Your Govern

ment guarantees the principal of U.S.

Series E Savings Bonds-up to any amount

Payroll Savings is the easiest way to save!

One of the reasons so many people are

teaching their savings goals with Bonds is

the Payroll Savings Plan. It's a sure-fire

way to steady savings because the money

You just sign the authorization card in

the payroll department where you work.

Sign up for any amount you wish-a couple

of dollars a payday or as much as you can

spare. And when enough has accumulated,

's automatically invested in a Series

Savings Bond in your name and the Bond

building up a backlog of security for you and your family. And adding to the eco-

nomic well-being of our town and our

country! If you haven't already signed up

for the Payroll Savings Plan, why not do

Then your savings really go to work-

is saved for you-automatically.

is turned over to you.

U. S. SAVINGS BONDS STRENGTHEN THE SECURITY

OF YOUR FAMILY, YOUR COMMUNITY, YOUR COUNTRY

-and the rate of interest you receive.

OUR TOWN

IS STRONGER ECONOMICALLY

BECAUSE OF

U.S. SAVINGS BONDS

Take a look around our town! Don't you

see all the signs of a strong economy? How

about that mechanic down the street who

just opened his own garage, the neighbor

who's sending his son through medical

school? How about all those homes that are

being started and those bright new cars

that are parked in front of our town's

bustling stores? Things look pretty healthy,

Do you ever stop to wonder how much of

this prosperity was made possible by U. S.

Savings Bonds? Not just because they helped

Although that's part of it.

our country through an emergency either.

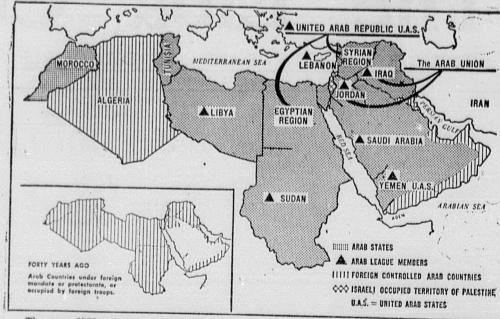

An even more encouraging fact is that all

over America more people are saving more

money, purposefully, than ever before in

the history of the world. Today, more than

New Names of 1958 In Arab World

The year 1958 will be a memorable one in Arab history. Already, in the first 6 months, five Arab countries have made major changes in political status. Egypt and Syria merged into a single state and then federated with Yemen. Iraq and Jordan formed the Arab Union. In North Africa, four countries took important steps toward federation. Corner map shows trend toward complete independence in the last 40 years.

Are you one of the forty million owners of shares in America?

Part of every American's savings belongs in U. S. Savings Bonds

Forty million Americans are proving every day that a smart way to save for their own family security-and to help build their country's strength United States Series E Savings Bonds.

These Americans know, and you should, that Savings Bonds are one of the safest investments you can make. Bonds are guaranteed safe by our Government-backed by the strength of 170 million hard-working Americans.

And Bonds are absolutely indestructible. If they are lost, stolen or destroyed, the Treasury will replace them for you without charge. That means

And, although Bonds are redeemable at any time two months after their purchase, most of us are a little more reluctant to spend them than

cash. They encourage us to save for the really big

They pay good interest, too-31/4% when held to maturity-mature in only 8 years and 11 No wonder so many Americans are buying these

Shares in America regularly. Why don't you join them? Start buying Bonds today. Buy them through the Payroll Savings Plan where you work or systematically where you bank.

The U.S. Coverament does not pay for this advertising. The Treasury Department thanks, for their patriotic donation, the Advertising Council

of visiting sailors at the Old North Church, Boston, as Rev. Clifford Chadwick tells the story of the Revolutionary War event. Below the painting are the lanterns which were hung in the Old North belfry for the one-if-by-land, two-if-by-sea warning. This original Leigh canvas inspired by the historic "Ride" and Longfellow's famous words, "The Fate of a Nation was riding that night," has created such wide-spread Americana-interest that, through public demand, the loan of the Leigh painting has been extended to November 1st. This loan from his widow has been made possible
